Co-Management of Concussion

Date and Time of Lecture: Ongoing

Place: This activity takes place in the participating physician’s office with ongoing support from Connecticut Children’s Practice Quality Improvement Program, based at Connecticut Children’s Medical Center (282 Washington St, Hartford, CT 06106).

Target Audience: Community physicians in Connecticut

Objectives: At the conclusion of this educational activity, the participant will be able to:

1. Collect record and monitor chart audit data.
2. Implement Plan, Do, Study, Act (PDSA) cycles to monitor practice performance and improvement. Physicians will complete PDSA worksheets after each data cycle.
3. Use monthly performance reports, which include run charts, to determine progress over time.
4. Understand the components of standardized Quality Improvement (QI) Methodology through web-based course, seminar, or consultation with QI expert.
5. Implement practice QI Methodology.
6. Integrate QI processes into their daily activities.
7. Work as a practice team to review project data and plan changes for improvement.
8. Design and implement practice changes to improve collaborative care for concussions.

If you are participating in a Connecticut Children’s QI/MOC project and you are interested in receiving CME credit you must e-mail moc@connecticutchildrens.org to discuss eligibility and next steps.

Accreditation: This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education by the Connecticut Children’s Medical Center (Connecticut Children’s). Connecticut Children’s takes responsibility for the content, quality, and scientific integrity of this CME activity.

Connecticut Children's Medical Center's Office of Continuing Medical Education designates this live activity for a maximum of 21 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Conflict of Interest Policy: All faculty participating in Continuing Medical Education activities sponsored by Connecticut Children’s are required to disclose to the program audience any actual or perceived conflict of interest related to the content of their presentation. Program planners have an obligation to resolve any actual conflicts of interest and share with the audience any safeguards put in place to prevent commercial bias from influencing the content.

This CME activity is receiving support from an unrestricted gift from UnitedHealthcare. UnitedHealthcare does not have control over the content of the training or MOC activity.
